**Management & Environment:**
Holy Family School aims to offer a high quality education through the provision of a wide range of facilities and resources that support our mission statement enabling our students to reach their potential to become productive and responsive members of society.

**Goals for 2010**

- Involve students in planning for a more sustainable and environmentally friendly environment.
- Support staff with implementation of new School Administration systems as a pilot school for BCE.
- Manage new capital development of our school buildings and grounds to enhance teaching and learning.
- Involve students in planning for a more sustainable and environmentally friendly environment.
- Support staff with implementation of new School Administration systems as a pilot school for BCE.
- Manage new capital development of our school buildings and grounds to enhance teaching and learning.

**Achievements for 2010**

The new capital building programme funded from the government BER stimulus package has been managed to this point in time to support teaching and learning in the 21st century. The Yr 6/7 rooms were planned initially by staff and completed late in 2010.

Initial preparations have been established to form a School Board during 2011.

Continued emphasis on WHS procedures with students, parents and staff including resource allocation, traffic safety - especially with the new capital works program for 2010.

Staff have successfully piloted new School Administration Program and Student Reporting.

**Curriculum:**
Holy Family School aims to provide a comprehensive, inclusive and quality curriculum that actively engages all students in their learning. During 2010 our focus will be on the planning and implementation of core literacy and numeracy curriculum initiatives.

**Curriculum Goals for 2010**

- To underpin curriculum, teaching & learning with reviewing our school community “vision for learning”.
- Continue emphasis on whole school planning and curriculum development that reflects current teaching & learning practices that caters for the developmental needs of the children.
- Investigate emerging ways of using technology in communication and classroom teaching and learning.
- Investigate staff focus on Brigidine ethos for the teaching of Religious Education.

**Achievements for 2010**

Resourced planning days for each teacher to meet with Leadership Team, specialist teachers and peer teachers.

The use of student profile was introduced for each classroom to support children in their transition into the new year.

Investigate staff focus on Brigidine ethos for the teaching of Religious Education.

- Students in Years 6/7 & 4/5 have taken on leadership roles with environmental issues and spaces in our school.
- New facilities for parents have been developed with Uniform Shop and meeting area.

Parents to support the provision of resources through the efforts of our P & F Committee.

Investigate new facilities to support parents such as the possibility of a new Uniform Shop.

Plan for new directions with a new School 3 year Renewal Plan to be developed together in 2011.
FAITH:
Holy Family School strives to lay the foundations of Catholic Christian Gospel values in our work with students, parents, staff and the Parish community.

Achievements for 2010
- Revitalised relationship with Brigidine Sisters and Brigidine College.
- Staff have visited our practices in the light of a new emphasis on our core values and vision.
- New plans have been shared for school prayer areas, to be actioned once capital BER is completed.
- Parents have been actively invited to share in liturgies and celebrations throughout the year.

Faith Goals for 2010
- Create a focus on the core values of our school community.
- Continue to promote and strengthen the links with our Brigidine beginnings & Brigidine College.
- To continue to foster an awareness of the need for justice and equity by activities that support others in the school and wider community.
- Support staff spirituality and professional development in religious education.
- Investigate the potential for new environments in our school for reflection and prayer with the planning of new capital facilities.
- Support staff with new resources for teaching of Religion.
- Invite parents to participate in the religious life of the school.

RELATIONSHIPS:
Holy Family School seeks to achieve open communication and professional relationships with families, within a supportive and inclusive environment.

Achievements for 2010
- Staff pilgrimage to Ireland has highlighted our Brigidine story for the benefit all the whole school and wider community now and in the future.
- The development of an up to date data base of parent emails and their distribution has supported better communication between school and families.
- During 2010 our staff and classes provided authentic opportunities for staff, students and parents to reflect and act on Social Justice issues.
- The promotion of parent involvement in community such as dad’s & Kids Day Out, School Trivia Night, Community Discos

Relationships Goals for 2010
- To strengthen our shared relationships within our community of Holy Family School, Parish and Brigidine College & Sisters.
- Investigate new ideas for communicating with parents, especially in a year when capital works will limit spaces for parent involvement.
- Continue to focus on opportunities for greater awareness of Social Justice Action within our school community.
- Priority to be placed on resources for Student Protection and Support.
- The school to support parents with their relationships with children and their school.
