Principal’s Foreword
Introduction

Queen of Apostles School prides itself on the spirit that can be found in our students, teachers, parents, friendships and approach to learning. We are a co-educational school with a current enrolment of 532 students from Prep through to Year Seven. We have two campuses with Prep to Year Two at our Early Years Campus at Chuter Street and Year Three to Year Seven at the Thuruna Street Campus.

Today, Queen of Apostles School, in strong partnership with the Parish Priest and parish community, proudly offers a quality inclusive Catholic Education. As the school has grown and changed, it has continued to build on the traditions established by the Sisters of the Holy Family of Nazareth. Their spirit of Love, Unity, Hospitality, Faithful Listening and Simplicity is found within the school community and is further strengthened by the parents, staff and children living the school motto of “Growing in Faith and Love”. We offer our students a rounded education that encourages personal growth based on Christian values. We encourage our students to participate fully in the life of the school and promote in a special way the ideals of respect, honesty, tolerance, cooperation, and a genuine concern for welfare of others.

* Canberra 5 day excursion - Year 7
* Representative sport – Individual and team competitions
* Chess
* Outside school hours training for Cross country, athletics and swimming

How Information and Communication Technologies are used to assist learning

We have wireless access to all of our classrooms across the two campuses. All teachers have access to a lap-top. Prep to Year 2 have access to 25 lap-top computers and 30 iPads, whilst our Year 3-7 campus has access to 63 lap-tops (on four trolleys) and 20 iPads. All classrooms have a data projector MacTivia and both a digital and iFlip camera. A set of 10 iPod Touch and two video cameras are also available for use. The Prep, Year 1, Year 2 and Year 5 classrooms are equipped with sound field systems to enhance the delivery of the teacher’s voice and reduce the impact of background noise on student learning.

Technologies are used in classrooms as a tool in the learning process. Some activities would include:

* Literacy blocks
* Maths investigations
* Research
* Tool for presenting information
* eReading
* Teaching specific skills, assessing and reporting

Social climate inclusive of pastoral care and our response to bullying

Queen of Apostles is a Christ-centred community of children, parents and staff within a Parish family. Our Mission involves empowering all with the wisdom to discern, giving hope for the future through living the Gospel Values.

We endeavour to ‘grow through learning’ as we strive to inspire, encourage and empower all to reach their full potential (spiritually, intellectually, socially, emotionally and physically).

At times, students require support with their behaviour choices. We use a positive approach to behaviour teaching to assist students to own their behaviour and plan for more appropriate choices in the future.

To develop and enhance pastoral care within our school we have buddy classes organised for students and have a parent contact representative for each class.
Parent, student and teacher satisfaction with the school

Queen of Apostles provides many opportunities for teachers and parents to liaise, correspond and discuss student programs and progress. Feedback received through the Internal School Review surveys, School Renewal process, retention surveys and discussion with the parent community indicates there is general satisfaction with the developments at our school.

Recent feedback has included: “We love the caring nature of the school.” “It is evident the staff are part of a professional learning community and the structures support professional learning.” “We enjoy hearing the wonderful work the teachers are doing with implementing the Australian Curriculum.” “Encouragement of leadership program for Year 7 children”. “Pastoral Care program supports a positive culture. Love the buddy system.”

Parent involvement in their child’s education

We encourage parents to take a keen interest in our school and to support us by becoming involved on a regular basis. Listed below are some areas where you may be able to use your talents.

• Library Aide - shelving, typing etc.
• Family Days
• Support classroom activities - Listen to children read, literacy block activities
• Support with Swimming & Athletics Carnivals
• Pastoral Care Contacts
• Assist with Tuckshop
• Support-A-Reader Program
• Take an active role in the P & F Association

Policy and practice to manage student attendance

Student attendance is recorded each morning before 9am and checked again at 2pm using an electronic roll marking system. The reason for student absence is recorded against each non-attendance. Two consecutive unexplained absences are followed up with parents to establish how we may support the student's return to school.
